(c) Each Authorized User shall maintain a unique User ID and password, distinct from the User ID and password of the Clearing Member but identified as related to the Clearing Member with which the Authorized User is associated. The Clearing Member is required to immediately notify the Clearinghouse if it knows, or has reason to believe, that its User ID or the User ID and/or password of any Authorized User have

been disclosed to any Person not authorized by the Clearinghouse and the Clearing Member to use such User ID and/or password.

(e) The Clearing Member authorizes the Clearinghouse to rely upon any instruction received through use of its User IDs without further inquiry, and the Clearinghouse shall not be liable to the Clearing Member for any actions taken based on instructions received through such User IDs, even if such instructions were not authorized by the Clearing Member. The Clearing Member will be liable for any and all costs, expenses, losses or other amounts that may result from actions taken, including transactions cleared through the Clearinghouse, by any person, authorized or not, using its User ID and password or the ID and/or password of any Authorized User. CHAPTER IV [RESERVED]

CHAPTER V CLEARING

5.1. Submission and Acceptance of Trades for Clearing

(a) Clearing Members are required to have sufficient funds on deposit with the Clearinghouse such that any transactions submitted for clearing will be accepted by the Clearinghouse.

(b) To facilitate compliance with Rule 5.1(a), an Exchange, in its sole discretion and from its own funds, may advance funds for immediate use to a Direct Clearing Member's Account, *provided* that it shall have no obligation to do so and *provided further* that:

1. Such advance is administrative in nature due to the normal course timing of banking transactions and is not a loan.
2. Such Clearing Member has submitted a bona-fide funds deposit request.
3. Such funds deposit request is being processed in the normal course of banking transactions by the Clearinghouse.
4. Such advanced amount shall not exceed the lesser of the funds deposit request or US\$5,000.

Notwithstanding anything to the contrary herein, the Clearinghouse may, in its sole discretion, decline to accept any such transfer of funds and require the Clearing Member to deposit any additional amounts determined by the Clearinghouse to be necessary.

(c) Upon submission of Contracts for clearing, the Clearinghouse will automatically review the Clearing Member's Account to ensure that the Clearing Member can fully margin or collateralize the transaction, and pay any premiums or other amounts due upon execution or settlement of such transaction, prior to execution of the transaction. If the Clearing Member's Account does not have the necessary funds and/or collateral for the Contracts, the Clearinghouse will not accept the Contract for clearing.

(d) For trades executed competitively on or subject to the rules of an Exchange:

1. The Clearinghouse will coordinate with all Exchanges to establish automated systems that will accept or reject for clearing all Contracts that are listed for clearing by the Clearinghouse.
2. The Clearinghouse will accept for clearing all Contracts that satisfy all of the following conditions:

- A. The Contract is traded on an Exchange;
- B. The Contract was certified by an Exchange under Part 40 of the CFTC's Regulations, and the CFTC has not exercised its right to block under CFTC Regulation 40.11; and
- C. The Contract satisfies the criteria of the Clearinghouse, including, but not limited to, applicable risk filters, which shall be non-discriminatory across Exchanges. The Clearinghouse will also coordinate with all Exchanges to integrate and be able to apply such criteria in a fully automated system, and if that is impracticable, the Clearinghouse will apply the criteria as quickly as would be technologically practicable if fully automated systems were used.

(e) Upon the successful acceptance of Contracts submitted for clearing, the Clearinghouse shall immediately, through the process of Novation, be substituted as and assume the position of Seller and Purchaser. Upon such substitution, the Seller and Purchaser shall have no obligations to each other, and such Clearing Members shall be deemed to have bought the Contract from or sold the Contract to the Clearinghouse, as the case may be, and the Clearinghouse shall have all the rights and be subject to all the liabilities of such Clearing Members with respect to such transactions. Where an FCM Clearing Member acts to clear a Contract made for the account of a Customer, the FCM Clearing Member becomes obligated to the Clearinghouse, and the Clearinghouse becomes obligated to the FCM Clearing Member, with respect to such Contract in the same manner and to the same extent as if the Contract were for the account of the FCM Clearing Member. The Clearing Members of the Contract are deemed to consent to the Novation

by submitting the applicable orders on an Exchange and the Clearinghouse consents to the Novation by accepting the Contracts submitted for clearing. Such substitution shall be effective in law for all purposes.

(f) Contracts with the same terms and conditions submitted to the Clearinghouse for clearing are economically equivalent within the Clearinghouse and may be offset with each other within the Clearinghouse.

(g) Upon acceptance of a Contract by the Clearinghouse for clearing:

1. The original transaction is extinguished;
2. The original Contract is replaced by an equal and opposite Contract between the Clearinghouse and each Clearing Member;
3. All terms of a cleared Contract must conform to the applicable Contract Rules; and
4. The Clearinghouse is irrevocably authorized to transfer premiums and/or Settlement Amounts to the appropriate Clearing Members in accordance with the applicable Contract Rules and this Rulebook.

(h) All payments to Clearing Members and collections from Clearing Members in connection with the clearing and settlement of Contracts are irrevocable and any and all amounts paid to the Clearinghouse in satisfaction of the obligations of Clearing Members in connection with Contracts are unconditionally deposited with the Clearinghouse and exclusively within the control of the Clearinghouse.

(i) If a Contract is rejected for clearing by the Clearinghouse for any reason, such Contract is void ab initio.

(j) All positions will be carried on a gross basis by the Clearinghouse until such time as the Clearinghouse, in its sole discretion, determines to provide offset at the earlier of an end-of-day netting process or at position settlement.

3. Clearing Members are responsible for providing accurate account numbers to allow the Clearinghouse to effect transfers to the Clearing Members. Withdrawal notifications to account numbers different from the originating account number are not permitted except as provided by the Clearinghouse in its sole discretion.

5. If a Clearing Member fails to adhere to the withdrawal procedures set forth herein, as applicable, the Clearinghouse will take reasonable measures to effect the withdrawal; however, if the Clearinghouse is unable to effect the withdrawal, the Clearing Member's collateral may become the sole property of the Clearinghouse, to the extent permitted by Applicable Law and pursuant to the procedures and disclosures posted on the Clearinghouse website. the Clearinghouse may apply the collateral against the Clearing Member's obligations.
6. Notwithstanding the foregoing, the Clearinghouse may, in its sole discretion, decline to permit any withdrawal of funds requested by a Clearing Member if it deems such action necessary for the protection of the Clearinghouse.

5.3. Settlement of Contracts

(a) The Clearinghouse shall maintain, on its system, a record of each Clearing Member's account balances and Contracts.

(b) On the Settlement Date, the Clearinghouse will notify all Clearing Members of the Settlement Amount.

(d) Payment of Settlement Amounts or any other delivery under any Contract shall be made in accordance with the relevant Contract Rules and these Rules, provided that nothing herein shall prevent Clearing Members from entering into arrangements to settle any Contract between each other on terms different from those set forth in the relevant Contract Rules, subject to compliance with the Rules in all respects.

5.4. Investment and Use of Clearing Member Account Assets

Subject to compliance with the applicable regulations of the CFTC, all cash and other property in the Clearing Member's Account or otherwise held by the Clearinghouse on the Clearing Member's behalf may, from time to time, without notice to the Clearing Member, be commingled with the property of other Clearing Members or be invested by the Clearinghouse, separately or with any other property, consistent with CFTC Regulation 1.25 and 39.15(e). the Clearinghouse shall have no obligation to inform the Clearing Member of any such investments or of the results or performance of such investments and shall be entitled to retain any profits from or return on such investments.

5.5. Transfers of Positions

The Clearinghouse in its sole discretion may permit the transfer of positions between Accounts:

(a) to correct errors in an existing Contract, *provided* that the original trade documentation confirms the error;

(b) to transfer an existing Contract through operation of law from death or bankruptcy;

(c) as a result of a merger, asset purchase, consolidation, or similar non-recurring transaction for a Person that is an organization;

(d) for Accounts of Clearing Members that are under the same common beneficial ownership; or

(e) any other circumstances in which the Clearinghouse determines in its sole discretion that such a transfer is necessary or appropriate for any other reason.

Any positions transferred pursuant to this Rule 5.5 will be at the original price and date that appears on the books of the Clearinghouse.

CHAPTER VI CLEARING MEMBER CONDUCT

6.1. Prohibited Activities

(a) No Clearing Member shall engage in conduct in violation of Applicable Law or the Rules. All such prohibitions on fraud and manipulation, including, but not limited to, the antifraud provisions of the CEA and the antifraud rules promulgated by the CFTC thereunder, will remain in full force and effect with respect to, and will be fully applicable to, the clearing of all Contracts. Such records shall be maintained in a readily available manner during the first two years. PM Clearing will use this data to investigate any time it has reason to believe that inappropriate activity of any sort is taking place.

7.2. General

(a) All Clearing Members Authorized Users shall be subject to the Clearinghouse's jurisdiction. All Clearing Members and Authorized Users are subject to this Chapter 7 if they are alleged to have violated, to have aided and abetted a violation, to be violating, or to be about to violate, any Rule or any provision of Applicable Law for which the Clearinghouse possesses disciplinary jurisdiction.

(b) The Clearinghouse will conduct inquiries, investigations, disciplinary proceedings and appeals from disciplinary proceedings, summary impositions of fines, summary suspensions or other summary actions in accordance with this Chapter 7.

(c) No member of the staff of the Clearinghouse will interfere with or attempt to influence the process or resolution of any inquiry, investigation, disciplinary proceeding, appeal from a disciplinary proceeding, summary imposition of fines, summary suspension or other summary action. No Director will interfere with or attempt to influence the process or resolution of any inquiry, investigation, disciplinary proceeding, appeal from a disciplinary proceeding,

summary, imposition of fines, summary suspension or other summary action with respect to which the Director is not a member of the relevant Appeals Panel.

(d) Any Clearing Member may be represented by counsel during any inquiry, investigation, disciplinary proceeding, appeal from a disciplinary proceeding, summary imposition of fines, summary suspension or other summary actions pursuant to this Chapter 7.

(e) Pursuant to this Chapter 7, the Clearinghouse may hold:

1. a Clearing Member liable for, and impose sanctions against such Clearing Member, for such Clearing Member's own acts and omissions that constitute a violation;
2. a Clearing Member liable for, and impose sanctions against such Clearing Member, for the acts and omissions of each Authorized User authorized by, and each other agent or representative of, such Clearing Member that constitute a violation as if such violation were that of the Clearing Member;
3. an Authorized User liable for, and impose sanctions against him or her, for such Authorized User's own acts and omissions that constitute a violation; and
4. an Authorized User liable for, and impose sanctions against him or her, for the acts and omissions of each agent or representative of such Authorized User that constitute a violation as if such violation were that of the Authorized User.

7.3. Inquiries and Investigations

(a) The Compliance Department will investigate any matter within the Clearinghouse's disciplinary jurisdiction that is brought to such department's attention, including but not limited to, possible violations of the Rules or manipulation of a Contract that is cleared through the Clearinghouse. All such investigations must be completed within 12 months of the date when the Compliance Department commenced its investigation unless there are mitigating factors that may reasonably justify an investigation taking longer than 12 months, including the complexity of the investigation, the number of Clearing Members or individuals involved as potential wrongdoers, the number of potential violations to be investigated, and the volume of documents and data to be examined and analyzed by the Compliance Department. The Compliance Department will determine the nature and scope of its inquiries and investigations within its sole discretion and will function independently of any commercial interests of the Clearinghouse.

(b) The Compliance Department has the authority to:

1. initiate and conduct inquiries and investigations;
2. prepare investigative reports and make recommendations concerning initiating disciplinary proceedings;

3. prosecute alleged violations within the Clearinghouse's disciplinary jurisdiction; and
4. represent the Clearinghouse on appeal from any disciplinary proceeding, summary imposition of fines, summary suspension or other summary action.

(c) Each Clearing Member:

1. is obligated to appear and testify and respond in writing to interrogatories within the time period required by the Compliance Department in connection with: (i) any Rule; (ii) any inquiry or investigation; or (iii) any preparation by and presentation during a disciplinary proceeding or appeal from a decision in a disciplinary proceeding, summary imposition of fines, summary suspension or other summary action by the Clearinghouse;

3. may not impede or delay any inquiry, investigation, disciplinary proceeding, appeal from a disciplinary proceeding, summary imposition of fines, summary suspension or other summary action.

(d) The Compliance Department will maintain a log of all investigations and their disposition. The Compliance Department will prepare a written report of each investigation, regardless of whether the evidence gathered during any inquiry or investigation forms a reasonable basis to believe that a violation within the Clearinghouse's jurisdiction has occurred or is about to occur or whether the evidence gathered results in closing the matter without further action or through summary action. Any written report of investigation will include the reasons for initiating the investigation (including a summary of the complaint, if any), all relevant facts and evidence gathered, and the recommendation of the Compliance Department. For each potential respondent, the Compliance Department will recommend either (i) closing the investigation without further action, (ii) summary action, (iii) resolving the investigation through an informal disposition, including the issuance of a warning letter or (i) initiating disciplinary proceedings. An informal disposition (including the issuance of a warning letter) will not constitute a finding of a violation or a sanction.

(e) The Chief Compliance Officer will review promptly each completed investigation report to determine whether a reasonable basis exists to believe that a violation within the Clearinghouse's jurisdiction has occurred or is about to occur. Such determination will be made

by the Chief Compliance Officer within ten (10) Business Days of receipt of the applicable investigation report. If the Chief Compliance Officer determines that additional investigation or evidence is needed to decide whether a reasonable basis exists to believe that a violation within the Clearinghouse's jurisdiction has occurred or is about to occur, the Chief Compliance Officer will direct the Compliance Department to conduct further investigation.

(f) After receiving completion of an investigation, the Chief Compliance Officer will determine for each potential respondent whether to authorize:

1. the commencement of disciplinary proceedings because a reasonable basis exists to believe that a violation within the Clearinghouse's jurisdiction has occurred or is about to occur;
2. the informal disposition of the investigation (by issuing a warning letter or otherwise) if the Chief Compliance Officer determines that a violation of the Rules may have occurred but that formal disciplinary proceedings are unwarranted; or
3. the closing of the investigation without any action, and without the issuance of a warning letter, because disciplinary proceedings are not warranted and no reasonable basis exists to believe that a violation within the Clearinghouse's jurisdiction has occurred or is about to occur.

7.4. Notice of Charges and Opportunity to Respond

(a) If the Chief Compliance Officer authorizes disciplinary proceedings pursuant to Rule 7.3, the Compliance Department will prepare in accordance with this Rule 7.4 and serve in accordance with this Rule 7.4, a notice of charges within twenty (20) Business Days thereafter.

(b) A notice of charges will:

1. state the acts, practices or conduct that the respondent is alleged to have engaged in;
2. state the Rule or provision of Applicable Law alleged to have been violated or about to be violated;
3. state the proposed sanctions;
4. advise the respondent of its right to submit a written statement explaining why a disciplinary proceeding should not be instituted or one or more of the potential charges should not be brought, which statement must be submitted within twenty (20) Business Days after service of the notice of charges;

5. advise the respondent of its right to a hearing and its right to have counsel present;
6. state the period of time within which the respondent can request a hearing on the notice of charges, in lieu of submitting a written statement pursuant to Rule 7.4(b)(iv), which will not be less than twenty (20) Business Days after service of the notice of charges;
7. advise the respondent that any failure to request a hearing within the period stated, except for good cause, will be deemed to constitute a waiver of the right to a hearing; and
8. advise the respondent that any allegation in the notice of charges that is not expressly denied will be deemed to be admitted.

(c) If the respondent submits a written statement pursuant to Rule 7.4(b)(iv), the Chief Compliance Officer shall, within ten (10) Business Days after receipt of the written statement, advise the respondent:

1. of the Chief Compliance Officer's decision to drop any or all of the potential charges;
2. that the disciplinary proceedings will proceed with respect to all remaining charges in accordance with the notice of charges delivered to the respondent; and/or, as appropriate
3. that the respondent shall have twenty (20) Business Days to submit an answer to the notice of charges, as described in this Rule 7.4.

(d) If the respondent determines to answer a notice of charges, the respondent must file answers within twenty (20) Business Days after being served with such notice, or within such other time period determined appropriate by the Chief Compliance Officer. To answer a notice of charges, the respondent must in writing:

1. specify the allegations that the respondent denies or admits;
2. specify the allegations that the respondent does not have sufficient information to either deny or admit;
3. specify any specific facts that contradict the notice of charges; and
4. specify any affirmative defenses to the notice of charges.

(e) Any failure by the respondent to timely serve an answer to a notice of charges will be deemed to be an admission to the allegations in such notice. Any failure by the respondent to answer one or more allegations in a notice of charges will be deemed to be an admission of that allegation or those allegations. Any allegation in a notice of charges that the

respondent fails to expressly deny will be deemed to be admitted. A general denial by the respondent, without more, will not satisfy the requirements of paragraph (b) above.

(f) Any notice of charges or other documents contemplated to be served pursuant to this Chapter 7 may be served (and service shall be deemed complete) upon the respondent either personally or by (i) leaving the same at his or her place of business or by deposit in the United States mail, postage prepaid, via registered or certified mail addressed to the respondent at the address as it appears on the books and records of the Clearinghouse, or (ii) sending the same via electronic mail to the e-mail address of the respondent as it appears on the books and records of the Clearinghouse.

7.5. Settlements

(a) A respondent or potential respondent may at any time propose in writing an offer of settlement to anticipated or instituted disciplinary proceedings. Any offer of settlement should contain proposed findings and sanctions and be signed by the respondent or potential respondent and submitted to the Compliance Department. A respondent or potential respondent may offer to settle disciplinary proceedings without admitting or denying the findings contained in the order of the disciplinary proceedings but must accept the jurisdiction of the Clearinghouse over it and over the subject matter of the proceedings and consent to the entry of the findings and sanctions imposed.

(b) If a respondent or potential respondent submits an offer of settlement in accordance with paragraph (a) above, the Compliance Department will forward the offer to the Chief Compliance Officer with a recommendation on whether to accept or reject the offer. If the Chief Compliance Officer conditionally accepts an offer of settlement, the settlement will become final upon the expiration of twenty (20) Business Days after an order of the disciplinary proceedings consistent with the terms of the offer of settlement is served on the respondent.

(c) If an offer of settlement is accepted and the related order of disciplinary proceedings becomes final, the respondent's submission of the offer will be deemed to constitute a waiver of the right to notice, opportunity for a hearing and review and appeal under these Rules.

(d) If the offer of settlement of a respondent or potential respondent is not accepted, fails to become final or is withdrawn by the respondent or potential respondent, the matter will proceed as if the offer had not been made and the offer and all documents relating to it will not become part of the record. Neither a respondent or potential respondent nor the Compliance Department may use an unaccepted offer of settlement as an admission or in any other manner at a hearing of, or appeal from, disciplinary proceedings.

7.6. Disciplinary Panel

(a) A disciplinary panel consisting of five individuals selected by the Board of Directors (the "**Disciplinary Panel**"), will conduct hearings in connection with any disciplinary proceedings, to make findings and impose sanctions pursuant to this Chapter 7. A separate Disciplinary Panel will be established prior to the commencement of each disciplinary matter. No Disciplinary Panel shall be comprised in a manner such that any group or class of industry participants may reasonably be expected to dominate or exercise disproportionate influence on

such panel. Each Disciplinary Panel shall consist of individuals who (i) would qualify as a Public Director (if the individual is a director of the Clearinghouse), except in cases limited to decorum, attire, or the timely submission of accurate records required for clearing or verifying each day's transactions and (ii) are drawn from the NFA's Hearing Committee. For the avoidance of doubt, members of the Compliance Department shall not be eligible to serve on a Disciplinary Panel.

(b) Within ten (10) Business Days of being notified of the appointment of the Disciplinary Panel, a respondent may seek to disqualify any individual named to the Disciplinary Panel for any reasonable grounds, by serving written notice on the Chief Compliance Officer. By not timely filing a request for disqualification, the respondent will be deemed to have waived any objection to the composition of a Disciplinary Panel. The Chief Compliance Officer will decide the merits of any request for disqualification within his or her sole discretion. Any such decision will be final and not subject to appeal.

(c) All disciplinary proceedings (except for summary impositions of fines pursuant to Rule 7.13) will be conducted at a hearing before the Disciplinary Panel. A hearing will be conducted privately and confidentially unless the Disciplinary Panel decides that the hearing, or any part of it, should be held in public after giving each respondent the opportunity to present its, his or her views on holding a public hearing. Notwithstanding the confidentiality of hearings, the Disciplinary Panel may appoint an expert to attend any hearing and assist in deliberations if such expert agrees to be subject to an appropriate confidentiality agreement.

(d) After reasonable notice to each respondent, the Disciplinary Panel will promptly (but in no event later than thirty (30) Business Days following such notice) convene a hearing to conduct the disciplinary proceedings with respect to such respondent. Parties to a disciplinary proceeding include each respondent and the Compliance Department.

(e) The chairman of the Disciplinary Panel may continue, adjourn or otherwise conduct the hearing, as he or she may deem appropriate. The chairman of the Disciplinary Panel will determine all procedural and evidentiary matters, including the admissibility and relevance of any evidence proffered. In determining procedural and evidentiary matters, the chairman of the Disciplinary Panel will not be bound by any evidentiary or procedural rules or law. Once admitted during the hearing, the Disciplinary Panel may consider, and attach the weight it believes appropriate to, evidence or other materials. The Clearinghouse will provide guidance to the chairman of the Disciplinary Panel on the conduct of the hearing.

(f) Except for procedural and evidentiary matters decided by the chairman of the Disciplinary Panel pursuant to paragraph (e) above, unless each respondent otherwise consents, the entire Disciplinary Panel must be present during the entire hearing and any related deliberations.

7.7. Respondent Review of Evidence

(a) Prior to the commencement of a hearing, each respondent will be given the opportunity to review all books, records, documents, papers, transcripts of testimony and other tangible evidence in the possession or under the control of the Clearinghouse that the Compliance Department will use to support the allegations and proposed sanctions in the notice of charges or

which the chairman of the Disciplinary Panel deems relevant to the disciplinary proceedings. Notwithstanding the foregoing, no respondent will have the right to review, and the Clearinghouse will have no obligation to disclose, any information protected by attorney-client privilege or any other privileges recognized by Applicable Law.

(b) If any books, records, documents, papers, transcripts of testimony, or other tangible evidence contain information that could adversely affect the competitive position of the Person providing the information or if such information might compromise other investigations being conducted by the Compliance Department, the Compliance Department may redact, edit or code such information before furnishing it to the respondent.

(c) Notwithstanding anything in paragraph (b) above to the contrary, the Compliance Department:

1. will not redact, edit or code competitive or investigative information contained in documents in a manner that would impair the respondent's ability to defend against the allegations or proposed sanctions in the notices of charges, and
2. will provide the respondent with access to the information and portions of the documents that the Compliance Department intends to rely on to support the allegations or proposed sanctions in the notice of charges.

(d) For purposes of this Rule 7.7, information that could adversely affect competitive positions include positions in Contracts currently held, trading strategies employed in establishing or liquidating positions, the identity of any Clearing Member and the personal finances of the Person providing the information.

7.8. Hearings

(a) At a hearing conducted in connection with any disciplinary proceedings, the Compliance Department will present its case supporting the allegations and proposed sanctions in the notice of charges to the Disciplinary Panel. If a respondent has timely filed an answer to the notice of charges in accordance with Rule 7.4, the respondent is entitled to attend and participate in the hearing.

(b) At a hearing conducted in connection with any disciplinary proceedings, the Disciplinary Panel or the Compliance Department and each respondent may:

1. present evidence and facts determined relevant and admissible by the chairman of the Disciplinary Panel;
2. call and examine witnesses; and
3. cross-examine witnesses called by other parties.

(c) If the respondent fails to file an answer, has filed a general denial, or if any or all of the allegations in the notice of charges are not expressly denied in the respondent's answer,

the chairman of the Disciplinary Panel may limit evidence concerning any allegations not expressly denied in determining the sanctions to impose. If a respondent fails to file an answer but appears at the hearing, the respondent may not participate in the hearing (by calling or cross-examining witnesses, testifying in defense, presenting evidence concerning the notice of charges, or otherwise) unless the Disciplinary Panel determines that the respondent had a compelling reason for failing to timely file an answer. If the Disciplinary Panel determines that the respondent had a compelling reason for failing to timely file an answer, the Disciplinary Panel will adjourn the hearing and direct the respondent to promptly file a written answer in accordance with Rule 7.4.

(d) Any Person entitled, or required or called upon, to attend a hearing before a Disciplinary Panel pursuant to paragraph (b)(ii) above will be given reasonable notice, confirmed in writing, specifying the date, time and place of the hearing, and the caption of the disciplinary proceedings. the Clearinghouse will require all Clearing Members and Authorized Users that are called as witnesses to appear at the hearing and produce evidence. The Clearinghouse will make reasonable efforts to secure the presence of all other Persons called as witnesses whose testimony would be relevant.

(e) If during any disciplinary proceedings the Disciplinary Panel determines that a reasonable basis exists to believe that the respondent violated or is about to violate a Rule or a provision of Applicable Law other than the violations alleged in the notice of charges, the Disciplinary Panel may consider those apparent violations after providing the respondent with an opportunity to answer the additional allegations in accordance with Rule 7.4. In connection with considering apparent violations pursuant to this paragraph (e), the Disciplinary Panel may request that the Compliance Department provide the Disciplinary Panel with any additional information.

(f) The Disciplinary Panel may summarily impose sanctions on any Clearing Member or Authorized User that impede or delay the progress of a hearing.

(g) The Clearinghouse will arrange for any hearing conducted in connection with disciplinary proceedings to be recorded hearing verbatim, or substantially verbatim, in a manner capable of accurate transcription. If the respondent requests a copy of all or portions of the recording of a hearing, the chairman of the Disciplinary Panel may within his or her sole discretion order the respondent to pay the costs for transcribing the recording of the hearing.

(h) No interlocutory appeals of rulings of any Disciplinary Panel or chairman of the Disciplinary Panel are permitted.

7.9. Decision of Disciplinary Panel

(a) As promptly as reasonable following a hearing, the Disciplinary Panel will issue an order rendering its decision based on the weight of the evidence contained in the record of the disciplinary proceedings. A decision by a majority of the Disciplinary Panel will constitute the decision of the Disciplinary Panel.

(b) The Clearinghouse will serve a copy of the order of the disciplinary proceedings on the respondent and the Compliance Department. The order will include:

1. the notice of charges or summary of the allegations;

2. the answer, if any, or a summary of the answer;
3. a brief summary of the evidence introduced at the hearing;
4. findings of fact and conclusions concerning each allegation, including each specific Rule and provision of Applicable Law that the respondent is found to have violated;
5. the imposition of sanctions, if any, and the effective date of each sanction; and
6. notice of the respondent's right to appeal pursuant to Rule 7.12.

(c) Unless a timely notice of appeal is filed pursuant to Rule 7.12, the order of the disciplinary proceedings will become final upon the expiration of twenty (20) Business Days after the order is served on the respondent and a copy thereof is provided to the Compliance Department.

7.10. Sanctions

(a) After notice and opportunity for hearing in accordance with these Rules, the Clearinghouse will impose sanctions if a Clearing Member is found to have violated or to have attempted to violate a Rule or provision of Applicable Law for which the Clearinghouse possesses disciplinary jurisdiction. The Clearinghouse may impose one or more of the following sanctions or remedies: (i) censure; (ii) limitation on Clearing Privileges, association with a Clearing Member or other activities, functions or operations; (iii) suspension of Clearing Privileges or association with a Clearing Member; (iv) fine (subject to paragraph (b) below); (v) restitution or disgorgement; (i) termination of Clearing Privileges; or (vii) any other sanction or remedy deemed to be appropriate. All sanctions, including those imposed pursuant to an accepted settlement offer, shall take into account respondent's disciplinary history and remediation efforts.

(b) The Clearinghouse may impose a fine of up to \$500,000 for each violation. If a fine or other amount is not paid within thirty (30) Business Days of the date that it becomes payable, then interest will accrue on the sum from the date that it became payable at the quoted prime rate plus three percent. The Clearinghouse has sole discretion to select the bank on whose quotations to base the prime rate. Each Clearing Member will be responsible for paying any fine or other amount imposed on, but not paid by, any Authorized User authorized by, or other agent or representative of, such Clearing Member.

(c) No more than one warning letter may be issued to the same Person found to have committed the same rule violation within a rolling twelve-month period.

7.11. Costs

(a) Regardless of the outcome of any disciplinary proceeding, the Disciplinary Panel may order a respondent to pay some or all of the costs associated with the disciplinary proceedings that the Disciplinary Panel believes were unnecessarily caused by the respondent. Costs may include costs associated with the inquiry or investigation, the prosecution by the

Compliance Department, legal and professional assistance, the hearing and administrative and other expenses incurred by the Disciplinary Panel.

(b) The Disciplinary Panel may only award costs against the Clearinghouse if it concludes that the Clearinghouse has behaved in a manifestly unreasonable manner in the commencement or conduct of the disciplinary proceedings in question. The Disciplinary Panel must limit any award of costs against the Clearinghouse to an amount that it concludes is reasonable and appropriate, but does not exceed the respondent's costs for external legal or other external professional assistance.

(c) The Disciplinary Panel may determine the amounts and allocation of costs in any manner it may deem appropriate. The Clearinghouse or the respondent will pay any costs ordered to be paid by it by the Disciplinary Panel within thirty (30) Business Days of the later of either written notice of (i) the amount imposed by the Disciplinary Panel or (ii) the determination of an appeal by the Appeals Panel against the Disciplinary Panel's determination.

7.12. Appeals

(a) Each respondent found by the Disciplinary Panel to have violated a Rule of or a provision of Applicable Law or who is subject to any summary fine imposed pursuant to Rule 7.13 or any summary sanction imposed pursuant to Rule 7.14 may appeal the decision within twenty (20) Business Days of receiving the order of the disciplinary proceedings or the notice of summary action, as the case may be, by filing a notice of appeal with the Chief Compliance Officer. While an appeal is pending, the effect of the order of disciplinary proceedings or the summary action (including any sanctions, remedies or costs imposed thereby) shall be suspended; *provided, however*, any summary sanction entered under Rule 7.14 shall continue in effect during the appeal.

(b) The notice of appeal must state in writing the grounds for appeal, including the findings of fact, conclusions or sanctions to which the respondent objects. An appellant may appeal the order of disciplinary proceedings or any summary decision on the grounds that:

1. the decision was arbitrary, capricious, an abuse of discretion, or not in accordance with the Rules;
2. the decision exceeded the authority or jurisdiction of the Disciplinary Panel, the Chief Compliance Officer or the Clearinghouse;
3. the decision failed to observe required procedures;
4. the decision was unsupported by the facts or evidence; or
5. the imposed sanctions, remedies or costs are inappropriate or unsupported by the record.

(c) The Chief Compliance Officer will forward copies of any notice of appeals received by it to all parties to the disciplinary proceeding or summary action, as the case may be, except the appellant. On or before the twentieth (20th) Business Day after filing a notice of appeal, the appellant must file with the Chief Compliance Officer and serve on the Compliance

Department a brief supporting the notice of appeal and documents supporting the brief. On or before the twentieth (20th) Business Day after the date on which the appellant serves their supporting brief, the appellee must file and serve its brief in opposition. On or before the tenth (10th) Business Day after the date on which the appellee serves its brief in opposition, the appellant must file and serve a brief in reply.

(d) In connection with any appeal, the Compliance Department will furnish to the Chief Compliance Officer and to the respondent/appellant a transcript of the hearing, any exhibits introduced at the hearing, the notice of appeal and briefs filed to support and oppose the appeal.

(e) Within thirty (30) Business Days after the last submission filed pursuant to paragraph (c) above, the Chief Compliance Officer will appoint the Appeals Panel to consider and determine the appeal. If less than 3 individuals from the Regulatory Oversight Committee are eligible to serve on the Appeals Panel, the Appeals Panel shall be a panel solely comprised of those individuals from the Committee that are eligible to serve on the Appeals Panel and such additional individuals meeting the requirements of Public Director who are appointed by the Chief Compliance Officer. Members of the Compliance Department of the Clearinghouse shall not be eligible to serve on the Appeals Panel. Members of a Disciplinary Panel may not serve on an Appeals Panel for the same matter.

(f) The Appeals Panel may hold a hearing to allow parties to present oral arguments. Any hearing will be conducted privately and confidentially unless the Appeals Panel decides that the hearing, or any part of it, should be held in public after giving each appellant the opportunity to present their views on holding a public hearing. Notwithstanding the confidentiality of hearings, the Appeals Panel may appoint individuals to attend any hearing and assist in the deliberations if such individuals agree to be subject to appropriate confidentiality agreements. In determining procedural and evidentiary matters, the Appeals Panel will be bound by evidentiary or procedural rules or law.

(g) The Appeals Panel will only consider on appeal the record before the Disciplinary Panel or, in the case of a summary action, the record considered by the Chief Compliance Officer or the Chief Compliance Officer's designee, the notice of appeal, the briefs filed in support and opposition of the appeal, and any oral arguments of the parties. The Appeals Panel may only consider new evidence when the Appeals Panel is satisfied that good cause exists on why the evidence was not introduced during the disciplinary proceeding or when imposing the summary action.

(h) After completing its review, the Appeals Panel may affirm or, only if it finds that the decision of the Disciplinary Panel or the Chief Compliance Officer that is under review, as the case may be, meets one of the criteria listed in Rule 7.12(i) below, modify or reverse any order of the disciplinary proceedings or summary action under appeal, in whole or in part, including increasing, decreasing or eliminating any sanction or remedy imposed, imposing any other sanction or remedy authorized by the Rules, or remanding the matter to the same or a different Disciplinary Panel for further disciplinary proceedings or for reconsideration by the Chief Compliance Officer. The Appeals Panel may order a new hearing for good cause or if the Appeals

Panel determines in its sole discretion that the appellant was not given a full and fair opportunity to make an argument in its favor and present supporting evidence.

(i) As described in Rule 7.12(h) above, the Appeals Panel may modify or reverse any order of the disciplinary proceedings or summary action under appeal only if it finds that the decision was:

1. Arbitrary, capricious, or an abuse of the discretion of the Disciplinary Panel, the Chief Compliance Officer, or the Chief Compliance Officer's designee, as the case may be;
2. In excess of the authority or jurisdiction of the Disciplinary Panel or the Chief Compliance Officer, as the case may be; or
3. Based on a clearly erroneous application or interpretation of the Rules.

(j) As promptly as reasonably possible following its review, the Appeals Panel will issue a written decision on appeal rendering its decision based on the weight of the evidence before the Appeals Panel.

The decision of the Appeals Panel will include a statement of findings of fact and conclusions for each finding, sanction, remedy and cost reviewed on appeal, including each specific Rule and provision of Applicable Law that the respondent is found to have violated, if any, and the imposition of sanctions, remedies and costs, if any, and the effective date of each sanction, remedy or cost.

(k) The Appeal Panel's written order on appeal (including findings of fact and conclusions and the imposition of sanctions, remedies and costs, and the effective date of any sanction, remedy cost) will be the final action of the Clearinghouse and will not be subject to appeal within the Clearinghouse.

(l) Within ten (10) Business Days of being notified of the appointment of the Appeals Panel, a respondent may seek to disqualify any individual named to the Appeals Panel for the reasons identified in this Rule 7.12 or for any other reasonable grounds, by serving written notice on the Chief Compliance Officer. By not timely filing a request for disqualification, the respondent will be deemed to have waived any objection to the composition of an Appeals Panel. The Chief Compliance Officer will decide the merits of any request for disqualification within his or her sole discretion. Any such decision will be final and not subject to appeal.

7.13. Summary Imposition of Fines

(a) The Chief Compliance Officer may summarily impose a fine against a Clearing Member for failing:

1. to make timely payments of margin, options premiums, fees, cost, charges or fines to the Clearinghouse;

2. to make timely and accurate submissions to the Clearinghouse of notices, reports or other information required by the Rules; and
3. to keep any books and records required by the Rules.

(b) The Compliance Department, acting on behalf of the Chief Compliance Officer, will give notice of any fine imposed pursuant to this Rule 7.13 to each Clearing Member subject thereto. The notice will specify (i) the violations of the Rules for which the fine is being imposed, (ii) the date of the violation for which the fine is being imposed and (iii) the amount of the fine. Within twenty (20) Business Days of serving the notice of fine, the Clearing Member, as the case may be, must either pay the fine or file notice of an appeal pursuant to Rule 7.12. Unless timely notice of appeal is filed pursuant to Rule 7.12, the fine will become final upon the expiration of twenty (20) Business Days after the notice of fine is served on the Clearing Member, as the case may be.

(c) The Clearinghouse, in its sole discretion, may deduct the amount of any fine imposed pursuant to Rule 7.13(b) directly from the Clearing Member's Account; *provided* that the Clearinghouse may not make such a deduction if the result would be to cause an event of default with respect to any Open Contract Positions then held in the Account of such Participant.

(d) The Clearinghouse will set the amount of any fines imposed pursuant to this Rule 7.13, with the maximum fine for each violation not to exceed \$5,000. Summary imposition of fines pursuant to this Rule 7.13 will not preclude the Clearinghouse from bringing any other action against the Clearing Member, as the case may be.

7.14. Summary Suspensions and Other Summary Actions

(a) Notwithstanding anything in the Rules to the contrary, the Chief Compliance Officer or the Chief Compliance Officer's designee, upon a good faith determination that there are substantial reasons to believe that such immediate action is necessary to protect the public or the best interests of the Clearinghouse, may order that any party be denied access to the Clearinghouse, or summarily limit, condition, restrict or qualify the Clearing Privileges of a Clearing Member, and may take other summary action against any Clearing Member in accordance with the Rules; *provided, however*, that the Chief Compliance Officer or the Chief Compliance Officer's designee in issuing an order denying access, may permit such party to submit Contracts for clearing solely for the purpose of liquidating the Open Contract Positions of such Clearing Member while the applicable suspension, limitation, condition, restriction or qualification of access is in effect.

(b) Promptly after an order is issued pursuant to paragraph (a), the party shall be informed of the action taken, the reasons for the action, the effective date and the duration of the action. The party shall also be informed of his or her right to appeal the action under Rule 7.12. Whenever practicable, the Compliance Department, acting on behalf of the Chief Compliance Officer, shall provide such notice prior to taking the action.

(c) Unless timely notice of appeal is filed pursuant to Rule 7.12, the summary action will become final upon the expiration of twenty (20) Business Days after the notice of action is served on the respondent.

(d) At the request of the Clearinghouse, a respondent against whom a summary action is brought pursuant to this Rule 7.14 must provide books and records over which the respondent has access or control and must furnish information to, or appear or testify before, the Clearinghouse in connection with the enforcement of any Rule.

(e) A respondent whose Clearing Privileges are suspended, limited, conditioned, restricted or qualified pursuant to this 7.14 may apply for reinstatement by filing with the Compliance Department a written request stating the applicant's reasons for seeking reinstatement. The Clearinghouse will not consider a respondent's request for reinstatement if the respondent (i) persists in the conduct which was the subject of the order denying access; (ii) owes any fines, fees, charges or costs to the Clearinghouse, (iii) continues to fail to appear at disciplinary proceedings without good cause or (iv) continues to impede the progress of disciplinary proceedings.

(f) Within a reasonable period after the filing of a request for reinstatement, the Appeals Panel will conduct a hearing to consider the request. At the hearing for reinstatement, the respondent will present its, his or her case supporting the reinstatement and the Compliance Department, acting on behalf of the Chief Compliance Officer may, in its discretion, present its case opposing or supporting the reinstatement and each may present relevant and admissible evidence and facts and call, examine and cross-examine witnesses. At the hearing for reinstatement, the Clearinghouse may require any Clearing Member to appear as witnesses and produce evidence if the Appeals Panel determines that the evidence is relevant.

(g) As promptly as reasonably possible after a reinstatement hearing, the Appeals Panel will issue an order reinstating, denying the reinstatement, or placing conditions on the reinstatement of the Clearing Privileges, or association with a Clearing Member, of the respondent. The order will include a brief summary of the evidence introduced at the reinstatement hearing; and, if applicable, findings of fact and conclusions not contained in the Appeals Panel's initial order issued pursuant to Rule 7.14(d) above. The Appeals Panel's order may not be appealed.

(h) Any decision to deny access pursuant to paragraph (a) shall not remain in effect for more than sixty (60) Business Days unless the Chief Compliance Officer or the Chief Compliance Officer's designee, upon further consideration of the circumstances giving rise to the order denying access, issues a separate order denying access for an additional period of time, not to exceed sixty (60) Business Days. The party must be notified thereof prior to issuance of the second order, unless prior notice is impracticable. Such notice must meet the standards provided in paragraph (b). At any time, a party subject to an action under this Rule 7.14, may petition the Chief Compliance Officer or the Chief Compliance Officer's designee to reconsider an access denial pursuant to this Rule based upon materially changed circumstances.

(i) When the Clearing Privileges of a Clearing Member are, or the association of an Authorized User with a Clearing Member is, suspended for a period of 12 months or less, none of its rights and/or Clearing Privileges (including the right to hold oneself out to the public as a Clearing Member, submit Contracts for clearing, and receive Clearing Member rates for fees, costs, and charges and deposit margin at Clearing Member levels) will apply during the period of the suspension, except for the right of the Clearing Member in question to assert claims against

others as provided in the Rules. Any such suspension will not relieve the Clearing Member in question of its, his or her obligations under the Rules to perform any Contracts entered into before the suspension, or for any Clearinghouse imposed fees, costs, or charges incurred during the suspension. The Clearinghouse may discipline a suspended Clearing Member under this Chapter 7 for any violation of a Rule or provision of Applicable Law committed by the Clearing Member before, during or after the suspension.

(j) When the Clearing Privileges of a Clearing Member are, or the association of an Authorized User with a Clearing Member is, terminated, all of its rights and Privileges will terminate, except for the right of the Clearing Member in question to assert claims against others, as provided in the Rules. A terminated Clearing Member may only seek to reinstate its Clearing Privileges by applying for Clearing Privileges pursuant to Rule 3. The Clearinghouse will not consider the application of a terminated Clearing Member if such Clearing Member, as the case may be, continues to fail to appear at disciplinary proceedings without good cause or continues to impede the progress of disciplinary proceedings.

(k) A suspended or terminated Clearing Member remains subject to the Rules and the jurisdiction of the Clearinghouse for acts and omissions prior to the suspension of termination, and must cooperate in any inquiry, investigation, disciplinary proceeding, appeal of disciplinary proceedings, summary suspension or other summary action as if the suspended or terminated Clearing Member or an Authorized User still had Clearing Privileges or was still associated with a Clearing Member, as the case may be.

7.15. Publication of Disciplinary Action

(a) The Clearinghouse shall provide notice to the CFTC no later than two (2) Business Days after any disciplinary action becomes final. .

(b) The Clearinghouse will make public notice of the disciplinary action by posting on its website, in accordance with CFTC Regulation 9.13, the information required by CFTC Regulation 9.11. The disciplinary action will be considered final on the date the notice of the disciplinary action is published on the Clearinghouse website.

CHAPTER VIII DISPUTE RESOLUTION

8.1. General

(a) Any dispute, controversy or claim related to transactions executed and cleared through the PMUS Direct System, or otherwise related to participation on the PMUS Direct System shall be resolved and settled through binding arbitration in New York, New York. If the parties are able to agree on an arbitrator, the arbitration shall be conducted by a single arbitrator. If the parties are unable to agree on an arbitrator, each party shall select an arbitrator and the two arbitrators shall select a third arbitrator. Any arbitrator selected in connection with such arbitration must qualify as a Public Director (if the individual is a director of the Clearinghouse) and must have reasonable prior experience in the operation and regulation of exchanges and clearinghouses providing execution and clearing services in connection with commodity futures contracts, commodity options or swaps, and with respect to the rules of the CFTC and exchanges and

clearinghouses generally. The arbitrator(s) shall determine the procedures for any arbitration held under this Rule 8.1, and shall, to the extent practicable, rely on applicable provisions of Chapter 7 with respect to such procedures, including but not limited to in connection with discovery by the parties, submission of documents and a hearing, *provided* that the arbitrator(s) shall have the authority to determine the appropriate procedures, notwithstanding the provisions of Chapter 7. The arbitrator(s) shall have the authority to award any remedy or relief that a court of competent jurisdiction could order or grant, including the issuance of an injunction. The fees and expenses of such arbitration shall be borne by the non-prevailing party, as determined by such arbitration. This provision shall not be construed in any way as creating a cause of action.

(b) Any failure on the part of any Clearing Member to arbitrate a case subject to arbitration, or the commencement by any such Person of a suit in any court prior to arbitrating a case subject to arbitration, violates the Rules and subjects such Clearing Member to disciplinary proceedings pursuant to Chapter 7, unless the parties mutually agree not to submit their dispute to arbitration.

(c) The Clearinghouse may summarily suspend, pursuant to Chapter 7, a Clearing Member that fails to satisfy an arbitration award rendered in any arbitration pursuant to this Chapter 8.

CHAPTER IX

[RESERVED]
